Celebrate your wedding or vow renewal in a historical setting that serves as an intimate venue for your celebration of love.

About Longview Chapel

Our Chapel was built in 1915, with the sanctuary retaining virtually all of its original beauty and charm. It comfortably seats a **MAXIMUM of 120 GUESTS**, which eliminates larger weddings, but provides a very pleasant and intimate atmosphere for the small to average sized wedding.

As you make your decision, please be aware we do not have one center aisle. Our Sanctuary is divided into three sections with two inside and two outside aisles. Traditionally, the wedding party enters down one aisle and exits out the other as a married couple.

We welcome and encourage visitors to come and see the Chapel before making any decision. The Chapel is open from 10:00 a.m. to 3:00 p.m. Monday through Thursday, or by appointment. You are also welcome to join us for worship on Sundays at 9:00 or 10:30 a.m. to see our Chapel!

Minister

Wedding parties **MUST** use an officiant provided by Longview Chapel. One of our pastors will meet with couple a few months before the wedding to get acquainted to discuss the format of service.

All equipment and decorations that are the property of the florist must be removed from the building immediately following the service.
